

HR-in-Action Session

for the HR Community >>> @SHRI

Are you facing challenges at work on HR related issues? Want to share your concern? Have a burning issue and you want to let it off your chest? Want to discuss and seek clarity?

If yes, we have the right avenue for you to ask, debate, learn, share and network @ HR-in-Action Session.

HR-in-Action Session is a bi-monthly exchange dialogue session that addresses current Human Resource (HR) practices in functions ranging from employee & labour relations to compensation & benefits and career planning & development. This is an excellent interactive platform for discussing HR challenges at work with the aim of reaching solutions that promote sound and best HR practices. SHRI will invite key industry, business and HR leaders to sit on the Panel of Resources to share their experiences and discourse on key IR/HR issues faced at your workplace.
