Dear Ms Jayantee

Congratulations on the release of your report "Harnessing the Potential of Generation Y Workforce in Singapore" which was launched recently at the SHRI Leading HR Practices Summit 2008. I was one of the participants at the Summit.

The findings of your study is very interesting. Would it be possible for me to have a copy of the full report?

Thank you.

Gen-Y was new to me. The trainer had really educated me on the subject and it seems educating and much learning.
