

## The Singapore HR Awards 2009

### Bringing Leading People and Practices to the fore

Organised yearly by Singapore Human Resources Institute (SHRI), The Singapore HR Awards celebrates leading organisations and HR practitioners in their drive for impactful human capital strategies. As one of SHRI's signature events, it serves as an excellent platform to promote and recognise excellence within the HR profession in Singapore by highlighting leading organisational HR practices and HR individuals (CEOs, HR Leaders, HR Entrepreneurs, HR Professionals and HR Executives).

Through The Singapore HR Awards, leading HR trailblazers and people management practices are honoured. New benchmarks and standards for the HR profession are also developed. Each leading Singapore HR Award is a distinctive recognition by Singapore's HR Professional body to mark the successes and accomplishments of people managers, thus further emphasising the importance of Singapore in putting human capital as a key business outcome.
